DAVE WHITE RECEIVES NATIONAL AWARD

Jan 31, 2019

We are pleased to congratulate our colleague, Dave White, who received last week the 2019 Excellence Award from National Conference of Bar Foundation (<https://ncbf.org/>) at its Mid-Year Meeting in Las Vegas. Dave was nominated for the award by the Kansas City Metropolitan Bar Foundation, in recognition of his leadership of the Military Matters project for KCMBF over the last three years. Military Matters provides free and low-cost legal services to veterans and those on active duty. Since its inception in 2016, Military Matters has handled over 730 requests for service from veterans throughout the Kansas City metro area. Only one Excellence Award is given per year to a Bar Foundation volunteer who has made an outstanding contribution to law-related philanthropy. The Award, which was established in 2015, is extremely competitive and draws applicants from Bar Foundations across the country.
